\$69.99 Monthly Organizer and Talking Pill Reminder

Doctors and pharmacists agree taking medications on a set schedule is crucial for managing your health. Medcenter system makes taking meds part of a daily routine:

- Set up to four daily alarms
- Alerts you when medication is due
- Friendly reminder repeats
- Press “alarm acknowledgement button” to confirm
- Talking clock will tell you when next dose is due
- Loud and extra loud sound settings
- Red and green color coding to show when dose is complete

Model/Product # 7026-5 – Multi
UPC - 804755702659

\$69.99 Low Profile System

The Medcenter low profile system allows you to organize a full month's worth of medication or vitamins at a time. The low profile features thirty-one individual pill boxes that can be removed and taken with you as needed or remain with the low profile tray. Adding the Medcenter talking clock makes this our most cost effective and compact monthly medication organizer and reminder system.
