Delivery is available in the 50 U.S. states and Canada Monday through Saturday. (Florist delivery is not available in most areas on Sundays or legal holidays). At non-peak periods, same-day delivery is generally available on orders received by 12:00 noon in the recipient’s time zone. At peak periods, such as Thanksgiving week, please order at least one day in advance, if possible, and no later than 10:00 a.m. (recipient’s time) on Nov. 22 for delivery by Thanksgiving. Requests for morning delivery or delivery by a particular afternoon time are honored when possible but are not guaranteed (especially during peak floral weeks) and require ordering at least 24 hours in advance. Some flowers, containers, and other items may vary due to local availability.
